

FALL SPORTING CLAY LEAGUE

AUG 12th - SEPT 30th 2010
8 Weeks

THURSDAY NIGHT

5 – 7 Shooters per Team

Banquet October 7th, 2010

\$20 Per Week

\$10 One Time League Fee Per Shooter
Tournament targets \$7.50

League Fee will be used for Banquet and for
Door Prizes

We will have grills available for cooking.

There will be the Regular Sporting Clays course with shooter friendly targets that will represent hunting type presentations and will allow everyone to have a good time and break plenty of targets.

In addition, we will have a Tournament Clays presentation which will crank it up a notch or two for those individual shooters that are interested in the more difficult presentations and are looking for more challenge.

Everyone will shoot the same first 9 stations. The additional 3 stations will be for those individuals wanting to shoot the tournament targets!

The tournament shooters will compete against only those shooters choosing to shoot the additional tournament targets.

We hope this will appeal to everyone and if you have friends/shooting partners that have been reluctant to participate because of target difficulty please invite them back to try this format. You may also shoot the other course for fun or practice anytime the club is open.
